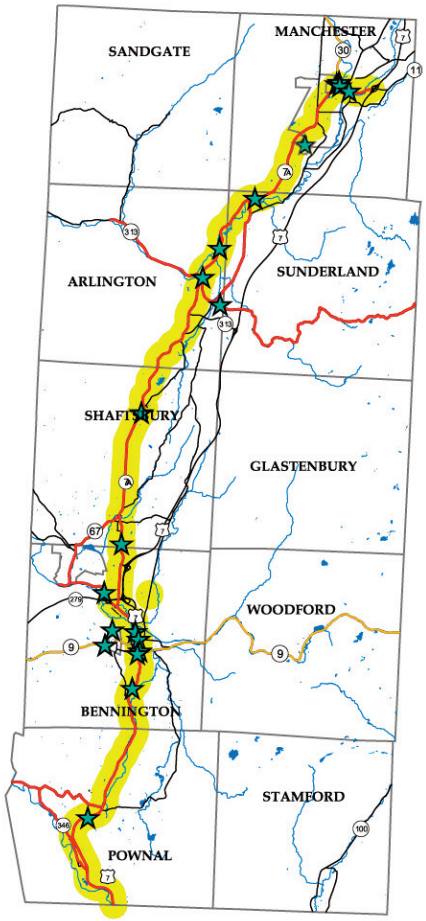
The Shires of Vermont Brochure Distribution

The Shires of Vermont Byway
25+ Brochure Racks



★ = approximate rack location

The Shires of Vermont Brochure Distribution route includes over 25 high traffic locations throughout the region. 20 beautiful brochure racks hold over 30 brochures and feature an inset graphic with local information. Additional locations utilize generic racks in order to increase the exposure of your brochures. 2018 will be the third year we offer this program, in that time we have seen these displays capture the attention of area visitors and draw them towards new businesses. We hope they can do the same for you.
