THE
SHIRES
OF VERMONT
BENNINGTON - MANCHESTER

Welcome aboard the Green Mountain Community Network!

Thank you for choosing the GMCN for your travel needs. Whether you have chosen to ride the GMCN to help the environment, save money, reduce dependence on fossil fuels, lessen congestion on our roadways, or rely on our services for your mobility, we hope you find our services to be convenient and accessible.

How to use this booklet:

This booklet is designed to be held horizontally.

Completely unfold this cover as shown at right and turn the booklet 90° sideways so that the title on the opposite side “Bennington County Bus Routes” is facing you right side up.

Then, flip the pages of the attached booklet to the route you are interested in.

The route schedule and information should be facing you correctly as you view the different routes.

If you need a larger print schedule or language interpretation assistance, please ask your driver, both are available through the GMCN Office at 447-0477

Burlington,
New York City,
Pittsfield, Rutland**

How to read the schedule:

Locations: Buses arrive at listed locations at the designated times. Ring the bell or pull the cord to exit the bus.

Time Listings: Read across, not down. For example, the 9:30 bus will arrive at Brookside Apartments at 9:39.

Stops listed without a time: These stops will always be served along a route. Arrival times will vary within the interval between fixed stops.

Request Stop: Can be made by onboard passengers, by waving at a moving bus (**driver will only stop where it is safe**), or by calling one day in advance. To request a return pick-up you must notify the driver as you exit the bus or call GMCN at 447-0477. Return time for pick-up is dependent on the regular schedule. **These “R” Stops are not automatic and the bus cannot wait.**

Fee to ride all the routes, except Emerald Line. Children under 5 ride free. Prices subject to change. Discounted weekly and monthly rates available. See specific route for fare information.

Route Deviations

GMCN buses will deviate up to ¼ mile from the published routes to pick-up or drop-off passengers, cost is double the fare. Deviations are not included on Complimentary Passes; regular fee will be charged. To request a deviation, call GMCN a day in advance at (802) 447-0477 or ask a bus driver to assist you. If your deviation request cannot be accommodated at the desired schedule time then, per federal law, GMCN will provide the service up to 1 hour before or after the requested time.

Arrival/Departure Times

All times are approximate as weather, traffic, and construction along the route may affect schedule. Please plan on arriving at the bus stop five minutes prior to the scheduled time. Use the pullcord to signal the next stop, or tell your driver.

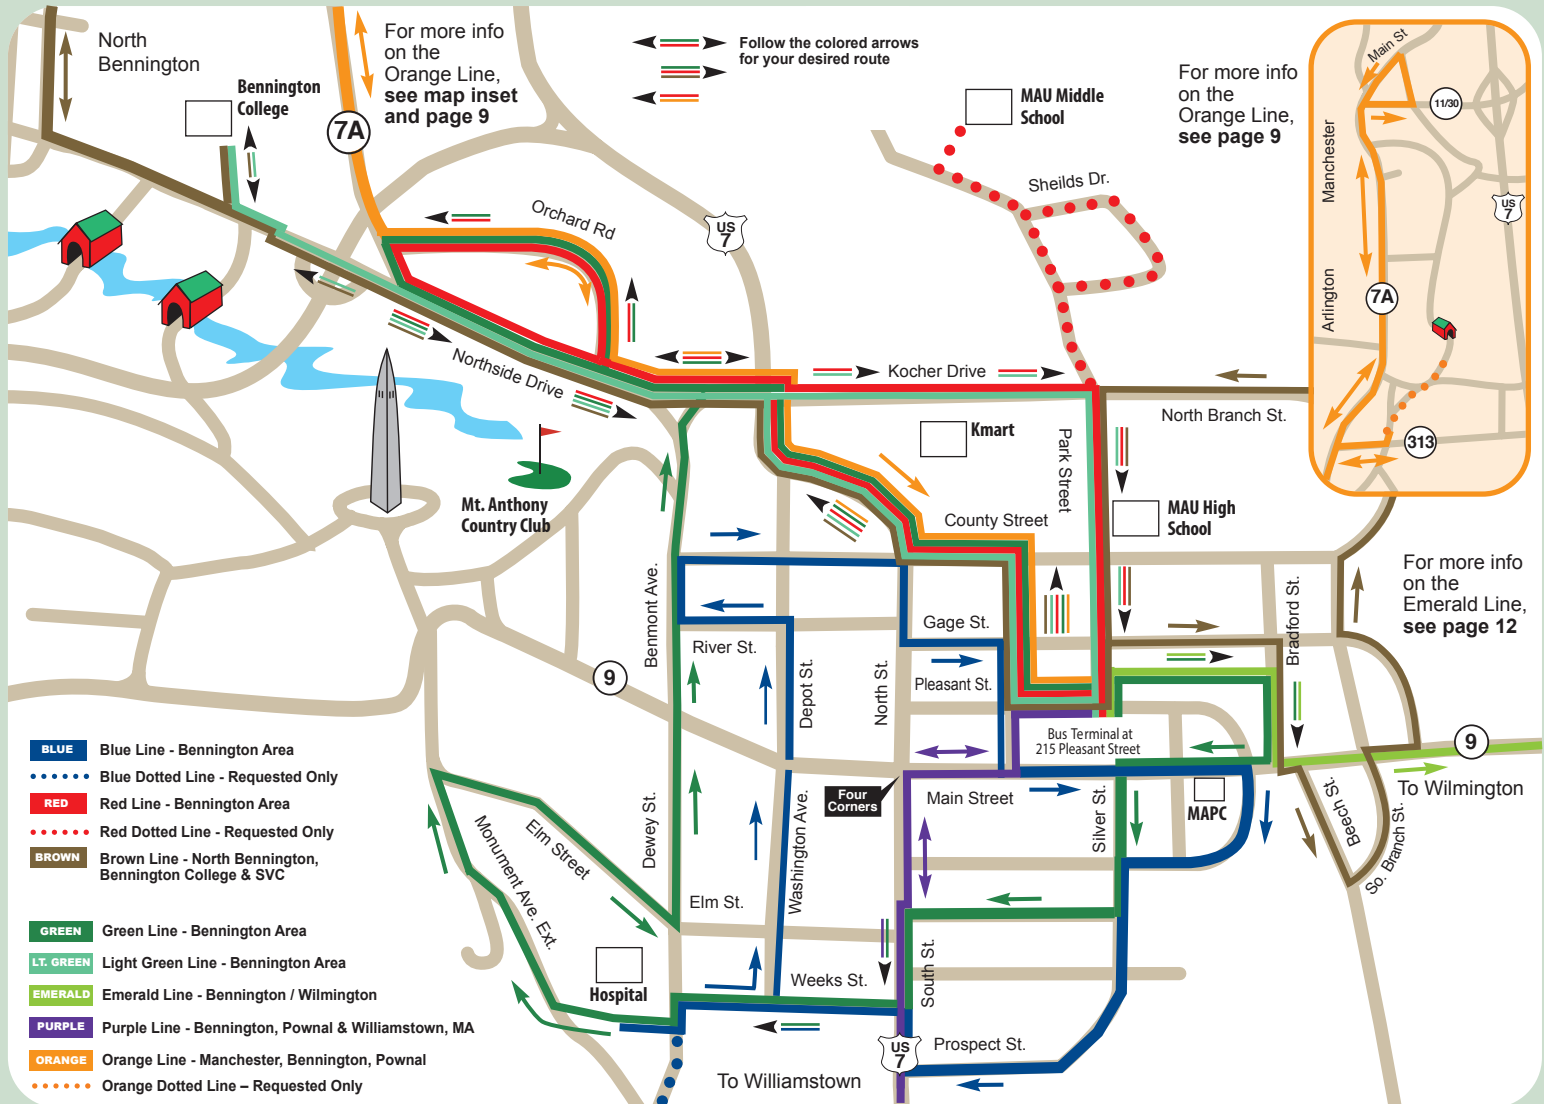

Transfers

If you need to take more than one bus to get to where you need to go, ALWAYS ask the driver for a transfer to the next bus when you exit the first bus. Transfers are not accepted on the orange line when traveling northbound from Bennington or on the purple line when traveling south to Williamstown.

Requesting Flag stops

Please call 447-0477 for information. Stop must be at a safe location.
